

RISE^{UP}

RISE CoE YEAR-ROUND PAID INTERNSHIP PROGRAM

RISE Centre of Excellence, focusing on Interactive media, Smart systems and Emerging technologies, is pleased to announce its **Year-Round Paid Internship Program** for undergraduate and graduate students.

GENERAL INFORMATION:

RISE Internship Program provides the opportunity to undergraduate or graduate students to undertake their Bachelor or Master Thesis on selected topics or undertake an Internship on selected projects in one of the Centre's Multidisciplinary Research Groups (MRGs, <http://www.rise.org.cy/en-gb/research/research-groups>). All available topics and projects can be found [here](#). Internships are offered for 4-6 months part-time or full-time.

HOW DO I APPLY?

Applications for this highly selective program are welcome from undergraduate or graduate students working in the fields of Computer Science, Interactive Media, Artificial Intelligence, Machine Learning, Computer Engineering, Electrical Engineering, Media Informatics, Psychology, Graphics, HCI or any other related discipline.

Applicants must submit:

- 1) A short statement of interest describing their relevant experience and indicating the Internship project or Thesis topic of their choice
- 2) A Curriculum Vitae
- 3) University Degree Transcripts
- 3) Contact information
- 4) Availability dates (full time or part-time engagement must be indicated)

Applications and any inquiries must be submitted to research@rise.org.cy. RISE accepts applications throughout the year.
